

TRANSFORMING SPACES FOR FUTURE

MJ SOLUTIONS

# WHO WE ARE

Your Dream. Our Duty.

The company was founded by Mr. Manish & Jitendra Mali, talented young professionals known for their creativity, technical excellence, and strong project management and handover expertise across commercial projects in Mumbai.

Over the years, our organisation has grown steadily and confidently, built on a foundation of trust, efficiency, and uncompromising quality. Our core values focus on innovative planning, commercial design solutions, and execution excellence—ensuring we consistently deliver maximum efficiency, aesthetics, and customer satisfaction. Driven by passion, precision, and performance, we continue to expand our footprint in Mumbai's commercial work and designing industry, working toward becoming one of the city's most reliable and leading commercial contracting and design companies.

## OUR PHILOSOPHY

Interior design should be about bringing the vision of the client to life. Design can be both aesthetic and functional.

## OUR APPROACH

We have adopted the 'turnkey approach' to interior design, that is, we both do the design and implementation so that you don't need to worry about anything.
